

Living on the edge of time, D. Wooley
Cotton States Music Publishing, BMI

We're Living on the edge... ... Living on the edge of time.....

Young man standing on the edge of time... wasting his life by wasting his mind. Hold on to something to get you through, hold on something's sometimes all you can do. Things that happened, long ago, don't even matter less it's on video, and who controls the video screen, they'll control the way that you're seen.

We're Living on the edge... ... Living on the edge of time.....

Time goes Past, fast and slow, time goes faster when you get old ...
Time's changing, nothing's the same, so everyday you gotta live your dream, take it from Shanty, I'm someone who knows, there's more to time than you suppose. Time goes Past, fast an slow, waste it now and all you get is old. Young man standing on the edge of time... don't waste your life by wasting your mind.

We're Living on the edge... ... Living on the edge of time...
Time goes Past, fast an slow, waste it now and all you'll get is old ...
We're Living on the edge... ... Living on the edge of time...
Time goes past, fast an slow, waste it now and all you'll get is old ...
