

**She got a hold on me, D. Wooley**  
**Cotton States Music Publishing, BMI**

I've given up on lady luck, tonight the dark lady rides.

She got a hold on me,  
she got a hold on me,  
she got a hold on me,  
an she won't let go.

I've gone as far as I can go, she rides with me tonight.

She got a hold on me,  
she got a hold on me,  
she got a hold on me,  
an she won't let go.

(Break)

She's crying for tomorrow, but she's holding me tonight.

She got a hold on me,  
she got a hold on me,  
she got a hold on me,  
an she won't let go.

I've given up on lady luck, tonight the dark lady rides.

She got a hold on me,  
she got a hold on me,  
she got a hold on me,  
an she won't let go.
