

**The Queen of Hearts has disappeared: D. Wooley
Cotton States Music Publishing, BMI**

It's been a long time coming,
showdowns finally here.

It's been a long time coming,
showdowns finally here.

All the cards are on the table,
but the queen of hearts has disappeared.

Ain't no use a man cryin, -
when you gamble love all the time.

Ain't no use in cryin, -
you'd be cryin all the time.

Other hearts may be broken,
but never none of mine, -
(2nd time) but it's the first time for mine.

The cards are on the table,
but the queen of hearts has disappeared.
The cards are on the table, -
but the queen of hearts has disappeared.

Repeat all:

The magic's gone, -
and the showdown finally here.
