

**Uncle Sam ya gotta go to Rehab, D. Wooley**  
**Cotton States Music Publishing, BMI**

Ya got a million dollar ticket on a Government ride - From way up there everything looks fine  
when all the little people say they ain't got enough - Ya just look down on um and tell em too damn tough

> yeah ya look down on um and tell um too damn tough... too damn tough

<small solo>

All the fat-cats bought Uncle Sam off - sold em down the river on a luxury yacht  
Better listen to the people cause we're talking to you – congressmen, senators, president too

the rich are getting richer while the poor go broke - ain't on the corporate news its America's joke  
All the fat-cats bought Uncle Sam off - now they're getting rich at the government trough

>Uncle Sam I'm begging you, ya gotta go to rehab get a new attitude – yeah ya gotta go to rehab get a  
new attitude

Uncle Sam, I'm talkin to you – them crooked politicians got a hold on you,  
Way back when you were a friend of mine - then ya got hooked on a crude oil line

I still believe that you'll pull us through - But Ya gotta go to rehab get a new attitude  
Ya gotta go to rehab an get a new attitude – the whole damn worlds getting tired of you

> whole damn world is getting tired of you, yea the whole damn world is getting tired of you

< solo>

All the fat cats bought Uncle Sam off - Now they're all getting rich at the government trough  
sold em down the river on a luxury yacht – so now they tell the little people just to get lost

All the little people are counting on you - you're the only one that that can pull us through  
but ya gotta to rehab and get a new attitude - Yeah, yes you do, Yeah, yes you do

> ya gotta to rehab and get a new attitude - Yeah, yes you do, Yeah, yes you do

Ya lecture everybody on what they should do – ya ball up your fist so they'll listen to you,
