

**Watch The Flowers Grow, D. Wooley, R. Heath
Cotton States Music Publishing, BMI**

Got me a job on Monday,

Tuesday, they let me go,

Wednesday, I found myself a free ride, also
- I found me a free ride

It's Thursday, I don't know where to go, also...
- I went as far as I could go

Fridays comin' around tomorrow,

By Saturday, I won't have no dough,

But Sunday, I'm gonna lay round all day and watch the flowers grow
